

Innovation & Entrepreneurship in Fab Labs & Makerspaces
USFLN Annual Symposium ~ 21-24 March 2016
Northwest Arkansas Community College ~ Bentonville, AR

Symposium 2016 features presentations and workshops on Innovation and Entrepreneurship. Other elements will deal with Education and Sustaining a Fab Lab or Makerspace.

Early-bird registration is discounted @ \$300, including full individual membership for the remainder of 2015 and all of calendar 2016. See www.USFLN.org.

Spring begins early in Arkansas, so look forward to dogwood and trillium in bloom when visiting NWACC's

new Fab Lab, the stunning Crystal Bridges Museum, and centers of innovation in Sam Walton's home town.
